

Robert S. Gross Memorial Scholarship

Knights of Columbus Divine Mercy Council #14883 is now accepting applications for the Robert S. Gross Memorial Scholarship.

With this scholarship, we remember all our Brother Knights who freely and graciously gave time to our community in hope that our youth, in that same spirit, pay it forward through their faith and works.

- The student is graduating from high school in 2023.
- The student is planning to attend an educational institution (i.e. college or technical school).
- The student is available for an interview with the committee March 9-12, 2023.
